WINE MERCHANTS

Domaine d'Eugénie
a great estate!

As one of the top producers in the village of Vosne-Romanée, Domaine D'Eugénie needs little introduction. François Pinault who also owns Château Latour, Château Grillet and a few other fantastic estates bought the Domaine in 2006 after the tragic death of René Engel in 2005 and Frédéric Engerer, Pinault's right hand man now manages this Domaine.

To showcase this outstanding estate, we have put together a selection of wines from the 2015 vintage, one of the best vintages from the current decade, that we think you will enjoy.

Sadly, as always with Domaine d'Eugénie volumes are very small and we will not be able to offer more than 3 bottles per customer as our aim is to share the allocation with as many people as possible. We will do our best to accommodate your order but please do note some wines are extremely limited such as the magnums.

On a plus note we are delighted to announce that we will be releasing the 2018 vintage at the end of the summer so please don't hesitate to register your interest now.
